

6.01 LOUD AND UNNECESSARY NOISE

(1) No person shall make or assist in making any noise tending to unreasonably disturb the peace and quiet of persons in the vicinity thereof, or squealing tires of his motor vehicle upon the paved streets in the Village unless the making and continuing of same cannot be prevented and is necessary for the protection or preservation of property, or of the health, safety or limb of some person.

(2) No person owning, occupying or having charge of any building or premises, or any part thereof, shall cause, suffer or allow any loud, excessive or unusual noise in the operation or use of any radio, phonograph, or other mechanical or electrical sound making or reproducing device, instrument or machine, which loud, excessive, or unusual noise shall disturb the comfort, quiet, or repose of persons therein or in the vicinity.

(3) No person shall use or operate, or cause to be used or operated, in any public street or place, or from any aircraft, or through and window, doorway, or opening of such building, place or premises, abutting or adjacent to any public street or place, any device, apparatus or instrument for the amplification of the human voice or any sound or noise, or other sound making or sound reproducing device, without a written permit from the Village Board.

(4) No person owning, operating, having charge of, or occupying any building or premises shall keep or allow to be kept any animal or bird which shall by any noise disturb the peace and quiet of any person in the vicinity thereof.

(5) No person shall make or cause to be made for the purpose of advertising or announcing his vocation or presence or in connection with the buying or selling of any goods, wares, merchandise, services, or anything whatsoever, or with the carrying on of any trade, occupation, vocation or profit making activity and immoderate or excessive use of his voice or of any bell, gong, horn, instrument, or device. The violation of this section in connection with any license or permit shall be cause for the revocation thereof.

(6) No person shall engage in violent, abusive, indecent, profane, boisterous, unreasonably loud or otherwise disorderly conduct which tends to cause or provoke an immediate disturbance of public order or tends to disturb or annoy any other person or persons.

(7) No person shall intentionally cause, provoke or engage in any fight, brawl, riot or noisy altercation other than a bona fide athletic contest.

(8) It shall be unlawful to operate or cause to be operated any noise creating blower or power fan, internal combustion engine, air compressor or steam engine, the operation of which noises due to the explosion of operation gases or fluids unless the noise from such blower or fan is muffled and such engine or compressor is equipped with a muffler device sufficient to deaden such noises so that the same shall not cause annoyance to the public or disturb the rest and quiet of persons residing or occupying property near enough thereto to be annoyed thereby.

(9) No person shall carry on or permit to be carried on any business or occupation in such a manner as to create unnecessary noise.

(10) Any person, firm or corporation who in his own person or through any agent or employee, shall violate any of the provisions of this ordinance shall upon conviction thereof be subjected to a fine of not more than \$25.00 for each day during which said violation shall continue, together with the costs of prosecution and default of the payment of such fine and costs of prosecution shall be imprisoned in the jail for a period not exceeding five days.

(11) If any section, subsection, clause or phrase of this ordinance is, for any reason, held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Village Board declares that it would have passed this ordinance, and each section, subsection, clause and phrase thereof, irrespective of the fact that any or more sections, subsections, sentences, clauses and phrases be declared unconstitutional.
