

VILLAGE OF HILBERT RESIDENTS **SPRING CLEAN UP EVENT**

Saturday, May 11th 7 AM – 10 AM

At the gravel area on 5th St. across from the Community Center!

The Village of Hilbert will be providing a heavy refuse drop off day to all Village residents for Heavy Refuse Items on **Saturday, May 11th** only. Village residents can drop off items listed on the acceptable list from 7 a.m. – 10 a.m. *If non-acceptable items are brought to the site, you will be required to take them back with you.*

All residents are to follow the signs on how to enter/exit the site. Volunteers will be available to advise you on where to put the items but they *WILL NOT* unload or touch any of the items. This is the responsibility of the resident – so, if you need help with this process, please bring extra help with you.

Thank you for your cooperation!

ACCEPTABLE ITEMS

- Couches, chairs, tables, desks, sinks, toilets, or any other household furniture.
- Carpeting, pads from carpeting, and rugs. **MUST** be cut into 4' sections and tied securely.
- Bedsprings, mattresses, bed frames, swing sets, clothesline poles (with concrete removed from the poles), bicycles and parts.
- Non-hazardous household refuse that is properly bagged or bundled. All loose material must be bagged or bundled. **No loose material will be accepted.**
- Scrap Metals
- Freon Free Appliances (Washers/dryers, stoves, water heaters, dishwashers, etc)

NON-ACCEPTABLE ITEMS

- Computers & Electronics (telephones, laptops, CPU's, fax machines, printers, photocopiers, VCR's, DVD players, Blue Ray players, televisions, radios)
- Microwaves
- Appliances Containing Freon (even if removed)
- Fuel Powered Engines
- Large amounts of construction & remodeling debris (plaster, shingles, siding). These items require that you schedule to have a dumpster at your own expense.
- Yard Waste
- Liquids (such as leftover spray cans, chemicals, paints, varnishes, etc.)
- Fluorescent bulbs
- Batteries
- Tires
- Residential recycling items

**PROOF OF
RESIDENCY
MAY BE
REQUIRED**

ELECTRONICS & APPLIANCES & HAZARDOUS WASTE RECYCLING EVENTS**

RECYCLING NEWS UPDATE

PROGRAM UPDATE

We have our 2024 Spring Clean event scheduled for Saturday, May 11th from 7 a.m. to 10 a.m. We will be starting it 1 hour earlier than usual and ending it 1 hour earlier. We will be running it in a similar fashion this year as it has been previously. Enclosed with this newsletter is information regarding the event. Also enclosed on the back of that flyer are the 2024 dates for electronics recycling and hazardous waste events that are being held by the county. Some of the events require you to pre-register while others do not require registration. Please check the county's website at calumetrecycles.com for further details.

YARD WASTE

Please remember that we still have our compost site available for residents to drop off their brush and yard waste. This program is for residents of the Village only and is not open to anyone outside of the Village even if they have a Hilbert mailing address. Please ensure that you are dumping the material on the correct pile. There is a multiple year process that the material goes through in order to become usable compost material. If there is material dumped on the incorrect pile, it can cause issues with this composting process. This area is not a dumping site for other materials such as concrete, brick, garbage, etc. If you have concrete material that needs to be disposed of, it can be done at the wastewater treatment plant by appointment. Please contact the clerk's office to make arrangements. Lastly, we will chip brush up to 4" in diameter. If you have brush that needs to be chipped, you can haul it to the compost site and place the brush on the brush pile. We can also chip on site for larger quantities. For chipping the first ½ hour is included, after that the charge will be \$150 per hour. For full tree removal, the rate is \$150 per hour from start to finish. You must contact the clerk's office at 853-3241 to request the chipping at your property. We usually chip once a week on Wednesdays. If you do not call to have the brush picked up and chipped, it will not be done.

Compost and wood chips are available for Village residents free of charge. If you know someone that is outside of the Village that is interested in some material, they can purchase it for \$5.00 per yard.

Once again, thank you for all your help to make our recycling program a success!

The Recycling Committee
