No two lots side by side may be purchased together and combined into one lot, unless approval is granted by the Developer or the Developer assigns. Any lot purchased shall have a house built on such lot within five (5) years from the date of purchase of such lot.

18. COVENANTS.

- A. These covenants shall run with the land, and all future conveyances of any lots of the Subdivision shall be subject to the conditions, covenants, obligations and restrictions set forth herein. Acceptance of a deed by any purchaser is considered an agreement to observe and abide by such covenants, conditions and restrictions for the protection of all owners within the subdivision.
- B. Invalidity of any one of these covenants by judgement or court order shall in no way effect the remaining provisions, which shall remain in full force and effect.
- C. These covenants and restrictions may be removed, modified, annulled, waived, changed and/or amended at any time and in any manner by a written Declaration setting forth such amendment (a) by the Developer as long as the Developer owns any lot for resale in the subdivision; (b) after the Developer has sold all lots, then by the owners of at least 75% of the lots. The written Declaration shall be recorded in the office of the Register of Deeds for Calumet County, Wisconsin.
- D. The Developer and/or individual lot owners benefited by the Declaration may enforce these conditions, covenants and restrictions using any available legal or equitable remedies, including, by way of example only, affirmative or restrictive injunction. In the event of litigation to enforce these conditions, covenants and restrictions, the non-performing party violating any of the conditions, covenants and restrictions shall reimburse the Developer and/or individual owners for all out-of-pocket expenses (including actual attorney's fees and court costs) incurred in successfully enforcing these conditions, covenants and restrictions.
- E. Variations in any of the covenants may be permitted by the Developer where the Developer is reasonably satisfied that such variations will be pleasing and generally in keeping with the character of surrounding properties and will not be a detriment to the subdivision as a whole. After the Developer no longer owns any lot in the subdivision, requests for variations may be submitted to such review committee(s) as may be

convened from among the property owners within the subdivision for consideration and approval or rejection.

- J. Developer reserves the right to complete construction or landscaping that has commenced but has not been completed within the above timeframe and owner is not proceeding with due diligence to complete construction or landscaping. Any costs so incurred by Developer (including, but not limited to, attorney's fees and court costs) shall become a lien on the lot.

 - B. Invalidation of any one of these covenants by judgement or court order shall in no way affect the remaining provisions, which shall remain in full force and effect.
 - C.
