2017 Budget Preparation

The village has begun the process of preparing our 2017 Budget. There have been several committee meetings and they have requested several capital budget items. A summary report has been prepared for all capital outlays being requested. This report lists in detail the projects being submitted for consideration for the 2017 budget and compares those proposed amounts to the approved 2016 numbers. This report **will** provide some valuable insight as to what projects the village may be undertaking in 2017. If there are other projects that you wish the village to undertake please contact us. If you would like a copy of this report, please contact the clerk's office.
