Board of Review

Since the last update on the village wide reassessment, I have found out that the notices of the new assessments should be mailed out to all property owners yet this month. If you wish to meet with the assessor at one of the Open Book sessions, you will need to contact them directly at 920-766-7323 to schedule an appointment. We will not be scheduling appointments through my office and will not make appointments for you. This is the preferred route to go first if you have questions or want to discuss your proposed assessments. The assessor has the power to adjust any assessments at these Open Book sessions if he sees fit based upon meeting with you. The actual Board of Review hearing is scheduled for August 1st beginning at 6:30 p.m. The Open Book Sessions where property owners can discuss their assessments directly with the assessor are scheduled on July 13th and 14th from 9:30 a.m.-7 p.m. Any questions regarding this process can be directed to the clerk's office.
