### Village Meadows Subdivision: Lots Available for Sale!

Welcome to Hilbert's newest subdivision! Village Meadows was created by the Village to help spur further residential development in conjunction with the Village's continued commercial and industrial growth. Located directly across the street from our largest industry, Sargento Foods and just south of the School District of Hilbert campus, this new subdivision is a great area to build your next home and locate your family! The first phase consists of 14 residential lots and is part of a 50-acre parcel that will only be developed for residential purposes. The lots are currently available for sale with the infrastructure anticipated to be completely installed by spring or early summer, weather permitting. If you are interested in purchasing one of these lots, or to see which lots are still available, please contact *Kendall Thiel at Thiel Real Estate at 920-849-2222 or 920-374-0501.*

### Annual Spring Clean-Up Event

*The decision was made to postpone the Annual Spring Clean-Up Event this year; which was scheduled for Saturday, May 2<sup>nd</sup>. At this time, we have not decided whether or not the event will be held later this year or just wait until next year. Although we had planned to hold the event, the circumstances surrounding COVID-19 has made it impossible to plan for it at this time. Please watch for any possible updates regarding this event in future newsletters. There also has been an effect on various collection events coming up both in the Village and County-wide. Please refer to the website for the County at [www.calumetrecycles.com](http://www.calumetrecycles.com) for updates on the County's events for 2020.*

### Hilbert/Potter Optimist Calendars

The Hilbert/Potter Optimists are looking for your opinion! With the Corona Virus taking front seat to many events this year, we are possibly thinking about *NOT* having a Community Celebrations Calendar.

Many members collect the money and deliver the calendars door to door and don't want to take a chance on either catching or spreading the virus. Unfortunately, if the calendar is put on hold for a year, it may never return. We would like your opinion regarding this: (1) Your feelings – how do you feel about it and would you miss it if it was discontinued? (2) How frequently do you check your calendar for birthdays or anniversaries? (3) If we were to collect and deliver a different way this year, would you still be interested in buying a calendar for \$6? Would you pay more than \$6?
