Board of Review

I am sure many of you have been wondering what the status is regarding our village wide reassessment. The whole process is proceeding fairly well. The Board of Review will be meeting Monday, May 23rd at 6 p.m. We will then immediately adjourn until August 1st at 6:30 p.m. The reason for meeting in May is that the state does require this. The Open Book Sessions where property owners can discuss their assessments directly with the assessor are scheduled on July 13th and 14th from 9:30 a.m.-7 p.m. Please watch your mailboxes prior to the July dates. You will receive notifications of your proposed new assessments prior to the Open Book Sessions. Any questions regarding this process can be directed to the clerk's office.
