Manitowoc River Watershed Stormwater/Flooding Workshop/Tour
September 30, 2014, 5:30 p.m.
Meet at Hilbert Community Center, 45 N. 5th St., Hilbert

Free event -- RSVP required to ensure adequate bus transportation is available by calling Mary at 920 849 1450 ext. 3 or kohrell.mary@co.calumet.wi.us

This workshop/tour is a continuation of the Brillion Marsh/Manitowoc River community meetings and is focused on exploring and discussing identified community issues related to the watershed.

Local elected and appointed officials, engineering and stormwater professionals, land owners, and interested citizens in the Manitowoc River Watershed and neighboring watersheds, if you attend this workshop and meeting, you will

- Have an opportunity to explore and learn with your peers about a specific sub-watershed that has experienced flooding and stormwater challenges; and
- Gain a foundation of understanding water flow within watersheds, discuss some causes of flooding, and evaluate possible solution to flooding problems using maps, data, and direct observation.

Schedule

- 5:30 pm Meet at Hilbert Community Center, 45 N. 5th St., Hilbert for workshop overview and preparation
- 5:45 pm Board school bus and depart for tour
- Tour stops will include the area near the dam at Clarks Mills, Collins Marsh wetland area, and various points along the river
 - Presenters will include DNR staff, water engineers, and local officials
- 7:00 pm Return to Hilbert Community Center
- Review/discuss the observations and thoughts from tour
 - Discuss and set date for next meeting
- 7:30 pm Adjourn

Note: simple beverages will be provided for participants.
