Hilbert/Potter Optimist Calendars Update

From the Optimists: Thanks to those of you who gave your opinions on the calendars! Because of those opinions and after further discussion regarding the calendar, we have decided to again go ahead with the printing this year! There are a few changes this year. You will now be receiving your calendar information forms in the mail. No one will be stopping at your home to collect as we have in prior years. You may use the pre-stamped envelope to mail your calendar donation along with your information form. All forms need to be returned by **JUNE 30, 2020**. Thanks to everyone for your support!

Village Meadows Subdivision: Lots Available for Sale!

Welcome to Hilbert's newest subdivision! Village Meadows was created by the Village to help spur further residential development in conjunction with the Village's continued commercial and industrial growth. Located directly across the street from our largest industry, Sargento Foods and just south of the School District of Hilbert campus, this new subdivision is a great area to build your next home and locate your family! The first phase consists of 14 residential lots and is part of a 50-acre parcel that will only be developed for residential purposes. The lots are currently available for sale with the infrastructure anticipated to be completely installed by spring or early summer, weather permitting. If you are interested in purchasing one of these lots, or to see which lots are still available, please contact *Kendall Thiel at Thiel Real Estate at 920-849-2222 or 920-374-0501.*

Brush Pick-Up

Brush pick-up is available. If you have brush that needs to be chipped, you can either haul it to the compost site and place it on the brush pile or we can chip on site for larger quantities. We usually chip once a week on Wednesdays. We will chip brush up to 4" in diameter. You must contact the clerk's office at (920)853-3241 to request the chipping at your property. If you do not call to have the brush picked up and chipped, it *will not* be done.
