BE INFORMED ON INCIDENTS HAPPENING IN YOUR NEIGHBORHOOD!!!

The Calumet County Sheriff's Department is looking at starting an email notification system that will provide you with information on incidents happening in your neighborhood. This email system would be specific to the Village of Hilbert and would be used to notify residents of incidents such as vehicle break ins, garage break ins, etc. This would help alert people of any situations happening and would also allow the residents to assist in watching for any suspicious activities. If you are interested in being put on this list, please send an email to Eric Voland of the Calumet County Sheriff's Dept. at voland.eric@co.calumet.wi.us and he will add you to the list.
