Hilbert Lions

Thank you Hilbert and the entire Calumet County area for your generous support for the Hilbert Lions 4th of July Community Festival! This year's event brought back memories of years gone by with the huge crowds for the Fireman's Parade as well as tremendous support for the food and drink stands, fantastic participation in enjoying the entertainment at the park, the high spirited support of the UW Echoes of Camp Randall and fireworks that any community would be proud to present. We would like to thank those for the unbelievable financial support which made this all happen. Thanks to all Lion's members, their families and the many community members who provided help in the stands, whom without we would not be able to provide the service an event like this requires. Funds from this festival will provide for community, state and national needs of the less fortunate, victims of disasters, parks, schools and countless other projects which benefit us all. We welcome any suggestions and assistance from everyone and look forward to an even bigger and better time next year! It was a great year! Thanks again.
