If you are interested in becoming a registered write-in candidate, please contact the Village Office at 920.853.3241

## **RECYCLING/GARBAGE REMINDER**

A friendly reminder to please be diligent on separating your recycling from your garbage waste. The Village receives a report every month on the percentage of recycling and garbage which is collected. Our recycling percentage has lowered and garbage percentage has increased. It was also reported that they has been an increase of recycling items being disposed of in the regular garbage. The Village does get charged more for the tonnage of garbage compared to the tonnage of recycling. In order for us to keep your yearly garbage fees from increasing (as listed on your property tax bill) we need everyone’s help when it comes to recycling. So please take the extra time to separate the items into the correct cans. Thanks!
